The Manotick Classic Boat Club is proud to present the 31st Annual Antique and Classic Boat Show at Parks Canada's beautiful Long Island Lock at Manotick, Ontario.

Come and see the magnificent craftsmanship of these beautifully designed and lovingly maintained watercraft some of them dating from the early 1900's.

The Long Island Lock is located just 25 KM south of the Parliament Buildings in Ottawa and 3 KM north of the village of Manotick at the north end of the "Long Reach" of Canada's historic Rideau Canal System.

This Parks Canada site provides an attractive park and historic setting complete with on-site launch ramp, navigable water frontage, plenty of parking and quality space for land displays and picnics.

More than sixty of these beautiful boats including cruisers, runabouts, outboards, dippys, sailboats and canoes are expected ranging in size from eight to 40 feet.

The historic three stage Long Island Lock will be in operation with interpreters. Parks Canada personnel will be operating their 19th Century forge and a costumed red-coated musketeer will be available for demonstrations and discussion.

The Rona's kids' "Build-a-Boat" program will be back and there will also be classic cars distributed throughout the park to add to your Show experience!

"Restoration Alley" will again be featured with classic boats and vendors providing related items of interest. A notice board for sale items that couldn't make it to the show will also be available. For information or to reserve space or submit a notice, contact Jeff Clark at (613) 489-1830 or email him at [dtclark@sympatico.ca](mailto:dtclark@sympatico.ca).
