## **Mahogany on the Water and in the Park!!** **At Long Island Lock in Manotick on August 9, 2008!**

Long Island Lock located on the Rideau Canal is the site of the 33<sup>rd</sup> Annual Ottawa International Antique and Classic Boat Show.

The historic World Heritage Site Rideau Canal System begins at Kingston, Ontario, just across the St. Lawrence River from Clayton, New York. The Canal provides a delightful three or four day leisurely cruise through beautiful pastoral countryside, magnificent lakes and quaint towns and villages to Ottawa, the Capital of Canada.

Long Island Lock is located just 20 KM south of the Parliament Buildings and just 5 KM north of the village of Manotick. This Parks Canada location provides an attractive park and an historic setting complete with on-site launch ramp, navigable water frontage, plenty of parking for vehicles and boat trailers and quality space for land displays and picnics.

The Parks Canada Forge and interpreters in period costume will add to the Show experience. Staged events throughout the day will include "Boats-in-Motion" and "Ask the Captain" to encourage the visiting public to talk with us about our boats. In addition the kids' "Build-a-Boat" program will be back.

This year's Friday night event will be a dessert get-together at the Scholfields'. For details, see the bottom of Page 2.

On Saturday evening, a Boat Show dinner is planned, close to the show site, in the village of Kars. Please indicate if your are attending on the registration form as space is limited.
