

THE MANOTICK CLASSIC BOAT CLUB

A Chapter of the Antique & Classic Boat Society

Invites you to

The 36th Annual Ottawa International Antique & Classic Boat Show on Saturday, August 13 2011

At Long Island Lock in Manotick

Long Island Lock is located on the historic World Heritage Site Rideau Canal System. Starting at Kingston, Ontario (just across the St. Lawrence River from Clayton, New York – home of the Antique Boat Museum), the Rideau Canal offers a delightful 3-4 day leisurely cruise through beautiful pastoral countryside, magnificent lakes and quaint towns and villages to Ottawa, Canada's capital.

Long Island Lock is just off River Road, 20km south of the Parliament Buildings and 2km north of the village of Manotick. This Parks Canada location provides an attractive park and historic canal setting with on-site launch ramp, navigable water frontage, plenty of parking for vehicles and boat trailers and quality space for land displays and picnics. Parks Canada will supply historical interpretation of the Canal's early days while the locks continue to operate. Staged events during the day will include "Boats in Motion" and "Ask the Captain" to encourage visitors to learn more about wooden boats. The popular Kids "Build a Boat" Program will return.

This year's judged show will feature a new award for classic fibreglass boats (fibreglassics).

For the public, attendance, parking and washrooms are free; food is available for purchase. Boating and canal-related vendors will attend.

For participants, on Friday evening, the Scholfields will host a Welcome Reception at their home at 6931 Rideau Valley Drive South, Kars, Ontario. Desserts and snacks will be provided; bring your own beverages.

On Saturday evening participants are invited to a Boat Show Dinner and Presentation of Awards at the Manderley on the Green Golf Club, 5920 Prince of Wales Drive (Old Highway 16) North Gower, Ontario. Please indicate if you plan to attend (with meal selection) on the registration form.

Tall Ships Landing, one of our prime sponsors, has invited all boat show registrants to a reception on the Fair Jeanne at their Brockville cottage-inium site on Sunday August 28. MCBC is planning a boat run for the afternoon
