Founded in 1975, the Manotick Classic Boat Club (MCBC) promotes the appreciation and preservation of historic, antique and classic watercraft. Member's boats come in all shapes and sizes, including canoes, runabouts, outboards, cruisers and sailboats. You do not have to own a boat to be a member, all that is required is an interest.

Membership in MCBC enables you to take part in numerous local boating and social events. You will also receive the MCBC Newsletter issued periodically throughout the year. As well, MCBC has an extensive library of videos, books and journals for the use of club members.

Membership in the Manotick Classic Boat Club (MCBC) also includes membership in the Antique and Classic Boat Society (ACBS), of which the MCBC is one of 55 chapters. The ACBS is an international organization devoted to the preservation, restoration and enjoyment of our wooden boat heritage. Your membership in ACBS will entitle you to a copy of the ACBS directory which includes a listing of all 15,000 international boat enthusiasts with details on their boats including name, manufacturer, model, year, engine, etc.. ACBS membership also includes a subscription to the ACBS RUDDER magazine. The RUDDER is produced quarterly and includes news of current events in the vintage boating community as well as articles of interest to boaters.

A secondary membership for the Manotick Classic Boat Club is available to individuals who are already members of the Antique and Classic Boat Society through another chapter.
